

# Abdul Wahab Tariq

## Front-End Web Developer

Aspiring Front-End Web Developer with a strong foundation in HTML, CSS, JavaScript, Typescript, Next.js, Angular, Tailwind.css, seeking an entry-level position to apply and enhance my skills in creating visually appealing and user-friendly web interfaces. Adept at translating design concepts into responsive and interactive websites, I am enthusiastic about staying current with emerging web technologies and frameworks. Eager to contribute creativity, attention to detail, and a collaborative mindset to a dynamic development team, while continuously refining and expanding my proficiency in front-end development.
